

Terms and Conditions

Eligibility

Trinity Global Education welcomes all students to apply for our courses. The centre may require certain students to write a diagnostic test for a course they are signing up for before they start their sessions. These diagnostic tests serve to help the centre understand the requirements of every student in regard to their personal preparedness for test preparation.

Test Registration

Trinity Global Education provides test preparation courses only. Students will need to register for the official tests on their own. The company does not provide test registration services.

Course Materials

The course fee covers all learning materials used for the classes. Students may purchase additional learning materials at their own discretion although this is not necessary for completing the course.

Course Validity

Students may attend practice test sessions repeatedly for twelve months from the date of the first session attended.

Refund and Cancellation Policy

For cancellation before the class begins, we will deduct GST and 25% as an administrative fee and refund the balance fee. If you cancel after the first session Trinity Global Education will refund only 40% of the course fee paid. There will be no refunds if you cancel two weeks after the first session even if you discontinue the course due to unforeseen circumstances.

Schedules

Schedules posted are subject to change. Students will be informed appropriately of any adjustments to the schedule before the classes are to start.

Rescheduling of classes is allowed the entire duration of course. Students who want to reschedule their sessions are to notify Trinity Global Education- either by email or by phone – at least 24 hours in advance before the class.

I have read and agree to the terms and conditions stated above.
